

# STAC Update for Network I/O

Peter Lankford  
Founder and Director, STAC

[peter.lankford@STACresearch.com](mailto:peter.lankford@STACresearch.com)

# Latest results

- Mellanox was the first to submit a 25GbE adapter for testing
- STAC-N1 (latency-prioritized workload)
  - In the STAC Vault
- STAC-N3 (throughput-prioritized workload)
  - In the STAC Vault shortly

**Thank Mellanox for their 25GbE testing leadership!**
