REAL REPORTERS IN THE LOCK-UPS

We only use teams of AP staff reporters to load the macro-economic data into the AP EDD machine readable templates.

Accuracy is their sole objective.

TOP ENGINEERS IN THE LAB

We have the best, proven, people in the low latency space continually examining each piece of our system to isolate areas where we can make improvements to increase speed for our customers.

They're very happy.
We're very fast.

MICROSECONDS

PROVEN RESULTS

The result is a single-purpose built macroeconomic delivery system dedicated to serving the top HFT firms.

AP event-driven data wins.

THE AP ADVANTAGE

There are many characteristics inherent to AP EDD that make us an essential asset to your trading strategy.

Speed.
Resiliency.
Legitimacy.
Profitability.
